NOTABLE SHOWS

April 20-26, 2005

Todd Snider

The critically acclaimed Nashville-via-Austin folkie is one of the sharpest, funniest, most pointed lyric writers around, as on his latest, *East Nashville Skyline* (Oh Boy)—check "Age Like Wine" (in which the 34-year-old Snider proclaims himself "Too late to die young now") for (ahem) proof. South Austin Jug Band opens. Crocodile Cafe, 8 p.m. \$15
